

HAMFEST VOLUNTEERS 2016

Volunteers are needed for the Tampa Bay Hamfest on Friday Dec.9 and Saturday, Dec. 10. We are in a new building but still at the Strawberry Fairgrounds in Plant City, see the attached Site Photo.

There will be three locations, "A", "B" and "C"

Position "A" is the main ticket booth with two windows, A1 and A2, while A3 will be outside the booth helping handicapped drivers and late Tailgate arrivals. It will be located between the Parking field and the Tailgate fields in the center of the photo.

Position "B" will be the entrance for Tailgate Vendors at the top of the photo and will require two volunteers B1 and B2. B3 will help vendors park. Vendors will leave through the main gate as do handicapped. Late arrivals will enter through the main gate.

Position "C" 1 will be a crossing guard across Woodrow Wilson St. on Friday only between the Tailgate/Testing area and the Hamfest building on the left of the photo. Plant City will close the road on Saturday and a crossing guard is not needed.
